

'Her writing is truly exquisite. I am really touched to read this. It is rare to come across a writer who can describe inner landscapes and revelations in a way that enables the reader to experience epiphany themselves. I hope this book will be spread far and wide.'

~ **Ma Ananda Sarita**, Tantra teacher and author

Ever the Sea Calls Me Home – a pilgrimage of awakening is a soul-baring memoir of a woman who left everything behind to answer the call of the Divine Feminine. Clíona's search for a place to write became a transformational healing journey through dark nights of the soul to balance her karma as she sought divine light and her new home. From England to Italy and the wild coast of Sardinia, the sea became her teacher, whispering lessons on surrender, trust, love, letting go, and oneness. Through raw reflections, Clíona invites you to embrace the unknown and come home to your truth within.

For readers of *Untamed*, *The Surrender Experiment*, *When the Heart Waits*, and *Eat, Pray, Love*.

'This is one of the most gripping books I have ever read. It contains the most beautiful writing about sex I have ever seen — by far the best book I have read in years.'

~ **Kate Keating**, English teacher

'Clíona's descriptions of Divine Feminine love gave me goose bumps and twinges of envy. The humour made me laugh, and I felt the experiences as if I was there. I returned to the book again and again, finding new revelations each time.'

~ **Cheryl Turner**, animal-assisted therapist
